Objektbeschrijving:

This property is situated on a sloping plot in the quiet residential area of Son Toni, only 5 minutes from Pollenca. It was completely modified in 2015 and now presents an imposing structure with many glass elements and spatial depth.

Its paved driveway leads past the 32 sqm saltwater pool and the front garden to a covered terrace and the main entrance. A living space of 350 sqm is spread over 2 levels. On the ground floor are 3 double bedrooms, 2 bathrooms, one of which is en suite, a laundry room, the garage, the technical room, the living/dining area, and a modern kitchen with pantry. A gallery with floor-to-ceiling windows and stairs leading to the upper floor connects the living with the sleeping area. Housed on the first floor are 3 further double bedrooms, one with a private terrace, a bathroom, a storage room and an imposing, 100 sqm terrace with views over the countryside to the south of Cestatx.

On the ground floor once again, the gallery leads to the rear external area where there is a shower-bathroom with pre-equipment for a sauna at the rear of the house. The remaining part of the plot holds established pine and fruit trees and offers ample space for further construction or for establishing a garden.

Further features include a high living comfort in the form of double-glazed windows, oil-fired central heating with radiators in all rooms, central, 3-zone air conditioning, and underfloor heating in the living area which is connected to 12 solar panels on the roof which also supply warm water.

This exceptional house presents itself as a well-maintained, architecturally thought-out property in a sophisticated and well-connected residential area. Palma airport is only 30 minutes away, and the bays of Alcudia and Pollenca can be reached in 15 minutes by car.

A further highlight which makes this excellent offer even more attractive is its touristic rental licence.
