These 4 modern, newly-built villas are under construction on the outskirts of Porto Colom, only a few minutes from the picturesque harbour and the turquoise-blue bays. Completion is foreseen for 2023.

A modern interior design invites with an atmosphere of well-being, and provides approx. 210 sqm of living space spread over 2 levels which impress with a very generous living concept.

On the ground floor is a comfortable living/dining area with open kitchen, 2 bedrooms each with en-suite bathroom, a guest WC, and a utility room. Large glass frontages flood the rooms with natural light.

The upper level is accessed via a staircase, and here is the generously-sized master-suite with dressing area, and en-suite bathroom and access to a large, 60 sqm terrace, and a further guest room.

From the living area is access to a covered terrace offering welcome shade during the summer months, the ideal place for alfresco dining. A sun terrace next to the pool invites to relax and enjoy.
