## Objektbeschrijving:

This first floor apartment from 1930 is located in the old town of Alcudia and was completely modernized in 2023.

It offers approx. 100 sqm of living space, the foyer, 3 double bedrooms and 3 bathrooms (2 of them en suite) and an open kitchen as well as a living and dining area. Natural stone elements were embedded in the walls and wooden cross beams were used to give the whole a rustic charm. The façade is also clad in natural stone.

The lounge, as well as one of the double bedrooms, have access to the inner patio. From there, the stairs lead up to the sun terrace, ideal for a jacuzzi. Tensioned awnings provide additional privacy here. Heating/cooling is provided by air conditioning. The pre-installation is already present in the patio.

The property is located in a side street, just a few meters from the town center.

Many bars and restaurants of all type are spread over the town, and there is something for every taste. Also not to be missed is the extensive market on Tuesdays and Sundays.
