Objektbeschrijving:

This exclusive residential complex with a total of 24 residential units is being built in the charming and traditional village of Colonia Sant Jordi. Only approx. 300m separate you from the dreamlike, turquoise-blue natural beach Es Trenc. Completion is expected in November 2026.

This dreamlike penthouse has a cozy and open-plan living and dining area with adjoining kitchen. The large sliding glass doors allow the indoor area to flow almost seamlessly into the outdoor area. The approx. 52 sqm terrace invites you to get together with the whole family. In the right wing there are three spacious double bedrooms and two bathrooms, one of which is en suite. The bathrooms are equipped with electric underfloor heating. From the master bedroom and another bedroom you have access to a private terrace.

A staircase in the entrance area leads you to the approx. 147 sqm roof terrace. This is the absolute highlight of the apartment. From the roof terrace you can enjoy a magnificent view over the rooftops of Colonia Sant Jordi to the sea as well as a lateral view of the salt plains of S'Avall, which are among the oldest salt lakes in the world. The terrace will have a pre-installation for a Jacuzzi, an outdoor shower, a barbecue, a brick bench with sink, electricity and water connections, lighting and a cupboard. Here you can create a lovely chill-out area to relax in. The terrace also offers enough space for sun loungers.

The outdoor area will be beautifully landscaped. You can expect an approx. 80 sqm communal pool and a jacuzzi that can accommodate 4-5 people. Directly adjacent to the pool area is a spacious sun terrace. Here you can enjoy the Mallorcan sun.

The apartment also has an underground parking space and a storage room. Further features include air conditioning. An optional furniture package is also available.
