Locatie en omgeving:

Portals is a residential area, which is characterized for being a quiet area with a wide surfaced cove, of white sand and clean waters, in front of which emerges the island of Sales. Until the breaking out of the Spanish Civil War, the middle class families of Palma built their second residencies. In the high part is located the Oratorio, with the image of La Mare de Déu de Portals. Its famous marina Puerto Portals, built in 1987, is the centre of tourism and nocturnal entertainment for the elite, being the meeting point for the royalty, the jet set, artists and financiers.
