The 78 sqm of built area are distributed into 2 double bedrooms and 2 full bathrooms with showers, one of them en suite. There is a spacious living and dining area, along with a beautifully integrated kitchen.

Some of the features include ducted hot and cold air conditioning, a large modern elevator, Zarci stone flooring, Bosch appliances, and Climalit double-glazed windows with Iroko wood frames.

Additionally, the apartment has been recently furnished with exquisite taste and designer furniture, which are included in the sale price.

Locatie en omgeving:

Palma is Majorca's first city home to 400,000 inhabitants. In addition to the historic architecture of the Old Town such as the Arab Baths or the buzzing entertainment district of 'La Lonja', Palma offers many beaches, marinas and the famous promenade Paseo Marítimo, stretching miles along the seafront accommodating the ample leisure activities that take place there. Here unlimited bars and restaurants are to be found, along with the new convention centre and City Theatre Auditorium.

Throughout the year the city offers a wide cultural variety. Many shops can be found in the large shopping centre on the ring road 'Via Cintura'.

Also to be found in Palma is the only University of the Balearic Islands (UIB), the modern technology park 'Parc Bit', the largest concentration of international schools and the most modern hospitals (Clínica Planas and the new hospital Son Espases).

For transport, the city is one of the most modern infrastructures in Europe providing services such as the international airport "San Joan," the brand new Metro and the fully-developed and perfectly maintained road network.
