Objektbeschreibung:

This stylish ground-floor apartment captivates with its clean, timeless architecture. The interior is deliberately understated and charming, taking a backseat to the space. This gives you the perfect opportunity to add your own design touches with minimal effort and personalize your new home.

The heart of the apartment is the spacious living and dining area with its open-concept layout. The seamlessly integrated kitchen is perfect for hosting culinary evenings with family and friends.

With 2 comfortable bedrooms and 2 modern en-suite bathrooms, the property is ideal for couples, small families, or hosting guests.

A special highlight is the covered terrace with an adjoining private garden - perfect for enjoying Mallorca's Mediterranean climate over a cozy dinner or during relaxing moments outdoors.

A separate utility room provides practical storage space for everyday use, while a private parking space ensures maximum convenience. A spacious pool area lined with palm trees offers the owners an exclusive space for relaxation and swimming.
