Objektbeschrijving:

In the midst of quiet countryside, nestling in the Mediterranean landscape and standing on a plot of approx. 42,000 sqm, this enchanting, newly-constructed villa is situated near to S'Espinagar. The elevation of the exclusive plot of land allows magnificent views of the sea to be enjoyed, and during its construction only the highest-quality materials and technology are being used.

Its living space of approx. 470 sqm is spread over 2 levels. On the first floor an inviting entrance area welcomes, and leads into a spacious living/dining area. The adjacent, openly-designed kitchen with cooking island fits perfectly into the design, and floor-to-ceiling windows assure that all rooms are flooded with ample natural light. From here there is direct access to a large terrace, so positioned that it seems to merge directly with the living area. Two spacious double bedrooms, each with bathroom en suite, are also located on this level.

A staircase leads to the upper floor with 4 further double bedrooms with en-suite bathrooms. Two of the bedrooms have access to a large terrace which provides breathtaking views of the Mediterranean landscape as far as the sea - truly the perfect place to relax. All bedrooms are fitted with built-in wardrobes.

The garden of the finca is lovingly laid out with Mediterranean plants creating a real, relaxing oasis of well-being. A small pathway leads from the terrace to a covered barbecue area where convivial time can be spent with family and friends whilst enjoying al fresco dining. An adjoining pool with sun terrace completes the exceptional package.

Further features include air conditioning and underfloor heating, so that pleasant temperatures are assured all year round.

Conclusion: A perfect retreat located in the midst of beautifully-picturesque scenery.
