Objektbeschrijving:

This rustic finca is located far from any hustle and bustle in a private, quiet location in the midst of beautiful nature, surrounded by partially manicured fields and orchards.

The construction with 434 sqm distributed over several buildings, needs a complete, comprehensive renovation. From the second floor you would enjoy a beautiful panoramic view of the island of Cabrera and the sea.

The associated land totals 316,611 sqm. A private well provides for the water supply. To the sea and the beaches it is only a few kilometers.

A very interesting property in an idyllic location, which could be beautifully converted into an authentic manor house. Ideal also for horse owners.
