Objektbeschrijving:

Welcome to your rustic oasis in the heart of Mallorca! This enchanting Finca is located near the typical village of Vilafranca and is only about 30 minutes away from Palma. Situated on a rural property with picturesque olive groves, fields, vegetable gardens, and numerous fruit trees, you'll enjoy breathtaking views and plenty of space for your creative ideas.

The main house, over 150 years old, was carefully expanded about 30 years ago in the traditional Mallorcan style. From rustic stone walls to charming river stone floors, inviting arches, and majestic old wooden doors, every corner exudes history and character. On the ground floor, you'll find a traditional kitchen, a cozy dining room, a living room, a bedroom, a bathroom, and a versatile space, as well as a practical utility room and pantry.

Upstairs, you'll find four spacious bedrooms, with the master bedroom standing out with its dressing room and en suite bathroom. The other three bedrooms share another bathroom. Two bedrooms have access to a spacious terrace with stunning views of the property and the picturesque surroundings.

The generous outdoor area features an expansive lawn, perfect for social gatherings or quiet moments of relaxation. A carport accommodates 3-4 vehicles, and an adjacent workshop completes the property, ideal for creative or handy individuals.

Terraces and a magnificent pool (approx. 60m²) invite you to spend relaxed hours outdoors. Another building houses a BBQ area, a shower room, and a storage room. The Finca is equipped with oil central heating, its own well, and is connected to the public power grid. Experience the authentic lifestyle of Mallorca and let yourself be enchanted by this wonderful property!
