Objektbeschreibung:

This charming traditional finca is located in a peaceful area of Algaida and offers, with a generous plot of approximately 20,000 sqm and a constructed area of around 479 sqm, plenty of space and numerous possibilities for development.

A legalization project has already been submitted, ensuring that all existing buildings will receive approval, allowing the building permit to be requested.

In addition, a renowned architectural firm has already created a design concept showing how the finca could look once renovated.

The property enjoys a very quiet location and offers panoramic views stretching to the Tramuntana mountains – perfect for those seeking to combine Mallorcan tradition with the opportunity to create a truly personalized home.
