### Objektbeschrijving:

This wonderful chalet, originally built in the 70's, has been completely and lovingly renovated whilst paying great attention to detail. The result is a modern, light-flooded, dream house with a large pool and pool area which invites to relax and enjoy.

It stands on a 600 sqm plot in Port Verd, a small neighbourhood located directly on the sea. The living area of this bright, modern chalet is distributed over only one level and consists of 3 bedrooms, all with en-suite bathrooms and a walk-in wardrobe in the master bedroom, a very bright living room with white ceiling beams, and a completely new fitted kitchen with osmosis filter and adjoining dining area. The bathrooms are finished in modern white tones, and the showers are barrier-free and with very high-quality fittings.

Throughout the house there is micro-cement flooring giving the interior a modern feeling, and heating is by means of a pellet oven. Air conditioning is fitted in the kitchen.

The terrace is accessible from the living area, kitchen and bedroom, and it would be possible to add a small sea-view studio on the roof terrace if desired.

Truly a dream property, situated in an absolutely prime location only a stone's throw from the turquoise-coloured Mediterranean sea!
