Locatie en omgeving:

The picturesque village of Deià on the north-west coast of Mallorca is one of the most beautiful villages in Mallorca, with views of the Mediterranean and the Tramuntana mountains which were declared by the UNESCO as a world heritage in 2010. It is considered to be the natural landscape with the largest scenic and cultural values on the island.

A stroll through Deià means walking along lanes paved in the middle ages, past old stone houses with their multi-coloured window blinds. Fruit trees, stone-oaks, palm trees and cypresses characterise the wonderful surroundings.

The tranquillity and privileged scenery has attracted artists, musicians and authors since the 19th century.
