Devided on 3 floors, this dream house comprises a living area with fire place, a seperate dining area with floor to ceiling french doors that open up onto a large 15 sqm terrace that overlooks the beautiful bay of Alcúdia.

A seperate modern fully equipped kitchen, 4 bedrooms (almost all of them with incredible sea views) and 3 bathrooms. The main bedroom has its very own little terrace, with the same stunning views.

Then there is the third and largest (covered) terrace, ideal for when you are looking for a bit of shade, without loosing the spectacular views! Beneath this terrace is a good sized garage with space for one car.

### Locatie en omgeving:

Alcudia, which in the Middle Ages was actually the original capital of Mallorca, offers one of the longest beach promenades of the island and has a correspondingly perfectly developed infrastructure, as well as some very interesting sub-areas that you should definitely be visited. Surrounded by an impressive city wall, the old town of Alcudia offers a strikingly clean and orderly appearance throughout and exudes a unique charm, especially at early evening. Many bars and restaurants of all type are spread over the town, and there is something for every taste. Also not to be missed is the extensive market on Tuesdays and Sundays. Alcudia, which is geographically situated on a peninsula but also offers two very interesting residential areas; Bonaire in the north and Aucanada in the south.
