Objektbeschrijving:

This charming terraced house is situated in a tranquil, closed residential community with only 7 living units at the end of a cul-de-sac in Puerto Alcudia, only 8 minutes by foot from the beautiful Playa de Muro. Built in 2000, its living space is spread over 2 levels, and the property was extensively renovated in winter 2023.

The living space includes diverse terraces, 3 bedrooms, 2 bathrooms, a modern kitchen, a large living/dining room, and a well-maintained external outdoor area with a BBQ zone, a pleasant chill-out zone and a refreshing pool. A covered parking and storage area provide additional convenience.

On the upper level the master bedroom has access to a private terrace providing breathtaking views of the Puig de Son Sant Marti and over the unspoiled natural surroundings, and the garden offers direct access to the nearby nature reserve around the Estany Grande.

Hot/cold air conditioning in all rooms, a cosy fireplace in the living room, and double-glazed windows all assure a high level of living comfort throughout the year.

The property not only offers ample privacy, but also stands in a prime, desirable location combining peace and tranquillity with convenient proximity to the beach and the surrounding nature.

Locatie en omgeving:

Alcudia, which in the Middle Ages was actually the original capital of Mallorca, offers one of the longest beach promenades of the island and has a correspondingly perfectly developed infrastructure, as well as some very interesting sub-areas that you should definitely be visited. Surrounded by an impressive city wall, the old town of Alcudia offers a strikingly clean and orderly appearance throughout and exudes a unique charm, especially at early evening. Many bars and restaurants of all type are spread over the town, and there is something for every taste. Also not to be missed is the extensive market on Tuesdays and Sundays. Alcudia, which is geographically situated on a peninsula but also offers two very interesting residential areas; Bonaire in the north and Aucanada in the south.
