Objektbeschreibung:

This modern townhouse is located in the popular and quiet neighborhood of Son Armadams, just a short walk from the vibrant district of Santa Catalina with its many restaurants, cafés, and boutiques. Bellver Castle, Pueblo Español, the marina, and several supermarkets are also within easy walking distance – ideal for relaxed yet urban living.

The house is a true architect-designed home: very modern, thoughtfully planned, and finished with high-quality materials. Particularly striking is the large window front, which lets in plenty of natural light and creates a bright, open atmosphere. The interior gallery enhances the sense of space and elegantly connects the different levels.

The living area is spread over three floors plus a basement level. On the ground floor, you'll find the bright living room, dining area, kitchen, and a guest toilet. Both the living room and kitchen open directly onto the spacious terrace, which offers plenty of room to relax or enjoy cozy barbecues with friends and family.

The house offers a total of four bedrooms. On the top floor, there are two bright bedrooms, a bathroom, and a cozy TV area with a sofa – perfect as a retreat for children or guests. One floor below is the generous master bedroom with en-suite bathroom and lots of privacy. In the basement, there are also two additional beds, ideal for hosting extra guests.

Residents have access to a well-maintained communal pool. A garage, air conditioning, and a laundry room complete the offer.

The property is rented fully furnished and move-in ready, available from August 1st. In total, the house accommodates up to ten people – perfect for families or holidays with friends.
