Objektbeschreibung:

This well-maintained detached house is located in a quiet area of Vilafranca de Bonany, a charming village with good infrastructure. Nearby, you will find restaurants, local fruit shops (fruterías), and small supermarkets for everyday needs. Thanks to the convenient connection to the motorway, Manacor can be reached in just a few minutes, and Palma and the airport are also easily accessible.

The house sits on an urban plot of 610 sqm and offers a total living area of 182 sqm. Approximately 30 sqm of this space is dedicated to a partially covered terrace that opens onto a private garden, which is not overlooked and offers a high level of privacy.

Inside the house, there are three bedrooms and two bathrooms, one of which is en suite. The living room is separate from the kitchen, creating a clear and functional layout. A practical utility and storage room is directly connected to the kitchen.

The garden, with an area of around 375 sqm, is landscaped with lawn and plants and features an automatic irrigation system. At its center is a 4 x 9 meter swimming pool, complemented by an outdoor shower and a separate WC.

A spacious garage provides room for two cars as well as ample space for bicycles or gardening equipment.

The house will be available for long-term rental from September 1st, 2025, and is offered unfurnished. Utilities for electricity and water are billed separately.
