### Objektbeschrijving:

A construction licence application has already been submitted for this quietly-situated building plot of 17.757 sqm, located near to the Mallorcan village of Ruberts.

The project has been planned with great attention to detail, and foresees a property with a constructed area of approx. 266 sqm.

Its living space will be spread over a single level and is to include 4 bedrooms, 3 bathrooms, a spacious, open living/dining area, the kitchen, a laundry room and a technology room. A special highlight is an interior patio.

A covered porch will offer the ideal place to enjoy a relaxing glass of wine on balmy summer evenings, and the 34 sqm pool will provide pleasant refreshment during the summer.

For the energy supply solar panels are planned, and a licence for a private well has been applied for.

Should we have awakened your interest please do not hesitate to contact us for further information.
