Objektbeschrijving:

This modern villa on an approx. 800 sqm plot with beautiful views over the bay of Palma.

The clear, minimalist design of the house continues with the layout of the interior space where floor-to-ceiling windows on all floors create a bright, light-flooded atmosphere. On the ground floor is the approx. 60 sqm living area with a fully-equipped kitchen with cooking island and access to a covered terrace on the south-west side.

The 4 bedrooms on the upper floor all have sea views, and the 2 corner bedrooms also have bathrooms en suite and walk-in wardrobes. One of the bedrooms has a beautiful sea-view terrace.

Further features include a saltwater pool, a garage and parking space, hot/cold air conditioning, underfloor heating with heat pump and much more.

Furthermore this luxurious property is located only a few steps from a romantic bay on the steep coast - still a real insider tip on Mallorca.
