Objektbeschrijving:

This charming family villa is situated in an elevated position in Cas Catala, with exclusive golf courses, marinas and shopping possibilities close by.

It stands on a flat plot of land with its living space spread over 3 levels. On the ground floor is a comfortable living/dining area with direct access to a covered terrace from where beautiful views of the sea and the mountains can be enjoyed, a separate, fully-equipped Mallorcan-style kitchen, and a spacious bedroom with en-suite bathroom and dressing area.

A staircase leads to the first floor with 3 bedrooms and 3 bathrooms, 2 of which are en suite. One of the bedrooms also has a private terrace with lovely views over the green garden.

Housed on the 2nd floor is a further living room with a large terrace with summer kitchen. An absolute highlight is the roof terrace offering breathtaking panoramic views of the sea and the mountains.

The well-maintained garden impresses with a large saltwater pool and Mediterranean plants, with an adjoining bbq zone which could become an enchanting place with a little attention to detail. Inviting terraces complete this harmonious picture.

Further features of this delightful property include air conditioning, central heating, and generous external areas.

Locatie en omgeving:

Cas Català is the nucleus of the municipality of Calvià , which marks the border with Palma. Its name dates back to the end of the XIX century, when a Catalan established his home there. It is a residential housing with chalets and flats spread on the hillside of woodland. It has two accesses to the sea and a little beach surrounded by terraces. Aside of the beach the five star hotel “Maricel” offers to all guests in its restaurant and the recent opened Spa a wonderful sojourn.
